

Anthony in Vancouver & Denver

This month Fr. Mario Conte, our editor, is bringing two relics to Vancouver, Canada and then to Denver, the capital of Colorado in the USA. One of the relics is the Saint's Floating Rib, which was venerated by Pope Francis and Sister Lucia of Fatima.

to St. Anthony: "Do not worry about me, for I am not worthy, but please extend your merciful hand over Benoit for the rest of

the days (which I hope will be many) which the Lord has assigned to him.

**Grandpa Michael;
Toulouse, France.**

Our thanks go to Grandpa Michael for sharing this uplifting, real life story with us. This is not an isolated incident. There are other cases of babies

who would have been aborted if the doctors had had their way, but who turned out to be healthy, successful human beings. ♦
